<i>22nd &amp; 23rd October, 2016</i>	<b>JAIPUR</b>  <b>Nirwana Hometel Jaipur</b>  <i>4 D-Villa, Khasa Kothi Circle, Station Road, Jaipur – 302001, Tel: 0141 4445000</i>	<b>Rs 7500/-</b>  <i>Workshop, Lunch and Course Content</i>

### **BRIEF DESCRIPTION OF THE TRAINING PROGRAM**

This training program is designed for entrepreneurs and professionals who are looking to understand the business, finance, technology & regulatory landscape of solar energy. This program will provide the necessary information to enter the vast and growing business of Solar Energy. It also provides an excellent networking opportunity with other entrepreneurs.

You will be able to gain knowledge about the **Fundamentals of Solar Photovoltaics, Installation & Design of a Solar system, Technology & Components, Site analysis, Load calculations, How to enter the business of Solar, the National Solar Mission, Government & State policies and government financing schemes.**

The course will be conducted in a workshop mode (interactive). Each session will build upon the previous session. There will be an opportunity for one-on-one sessions for the participants at the end of the training.

Certificates will be provided after the Training.
